New Seeds of Grace Charity Ministry

We visited three villages outside Jinja, Uganda where we have dug new boreholes for clean water through New Seeds.

The villagers came out to greet us with smiles, singing, and laughter to welcome us.

Pumping clean water while the children drank and splashed each other was so refreshing.

I took a moment at each well to pray for thanksgiving to God for the clean water and to share about the Living Water of Jesus.

HAPPY THANKSGIVING!

Thank you for helping us to build strong loving families and churches in 30 countries around the world!

Uganda Conference Trip....

Great Commission Alliance and seven International partners conducted a two day Exponential Harvest conference in Kampala, Uganda! Our first international travel trip since the pandemic began.

In two days, over **300** participants were trained in evangelism and discipleship. Fifteen participants received certificates for completing the 35 week GC Academy program.

After the training, the participants went out into the local community, where **202** individuals accepted Jesus as their Lord and Savior! Praise the Lord!

On Sunday, all of the GCA team members and the International pastors preached in local churches.

I want to personally say "Thank you" to those who supported this ministry trip either in prayer or financially.

Financial Update

We are in need of an additional \$3,500 per month in support to become fully funded!

Thank you for all your help to ensure the ministry is healthy and thriving for those we serve!

We are making a difference in individuals, churches and families around the world.

Will you pray about your support and share this with others who will support us as we continue to make a difference for the Kingdom of God!

Pray with Us.....

We would appreciate your continued prayers:

- For God to continue to fund us as we serve Him full-time in this ministry
- As Richard provides counseling each week to former convicts, homeless and addicted men.
- International travel to India to conduct training conferences in evangelism and discipleship.
- Father2Father Conferences in Jordan/Uganda
